NOBLE/SERTOMA PARTNERSHIP

WHAT IS NOBLE?

Founded by families in 1953, Noble is a not-for-profit organization serving 3,000+ children and adults with disabilities like Down syndrome and autism each year. Our mission: To expand opportunities and enhance the quality of life for people with disabilities and their families through individualized services. Noble's array of services includes:

- First Steps Early Intervention
- Summer Day Camps
- School-to-Work Transition
- Respite Services
- Employment Services
- Community Living Residential Services
- Behavioral, Recreational and Music Therapies
- Therapeutic Art and Day Services
- Family Education and Trainings
- Legislative Advocacy

Noble receives government reimbursement for most of its services, but that only covers 77% of the cost of providing these services.

The remaining 23% must be made up through individual and corporate contributions, grants and events like Raising the Stakes for Noble.

WHAT IS THE SERTOMA CLUB OF BROAD RIPPLE?

Chartered in 1958, the Sertoma Club of Broad Ripple is a local chapter of a national organization devoted to Service to Mankind. The club quickly chose Noble as the primary beneficiary of its fundraising efforts and determined that its fundraising would take the form of Casino Nights offered to local businesses and organizations. Since its founding, the Sertoma Club of Broad Ripple has become the largest Sertoma chapter in the country, donating over \$2.5 million to Noble as well as generously supporting many other organizations in our community.

If you are interested in having the Sertoma Club of Broad Ripple turn your organization's next event into an exciting Casino Night, please contact Ken Fluharty at 317-849-5118 or visit their website at www.broadripplesertoma.org
