Maximizing Our Resources

Covering Funding Gap

The people we work with deserve the highest quality services we can provide. However, the government reimbursement we receive for those services does not cover the cost of providing them. When you factor in that Noble's mission calls on us to never turn someone away due to lack of funding, the reimbursement we receive covers only 73% of the cost of providing those quality services. For that reason, we stretch every dollar by soliciting donations, writing grants, hosting events & securing corporate sponsorships.

Examples of What Your Gift Can Do

Corporate sponsorships and other funds raised by Special Events provide unrestricted operating support. However, the examples below can help donors envision the impact of their support.

\$5000

Assist an adult with disabilities in developing new skills & landing their dream job.

\$2500

Provide early intervention therapies for a baby or toddler in their home twice a week for 3 months.

\$1500

Provide our Music & Recreational Therapists with instruments, exercise mats, stretch bands & exercise balls.

\$500

Stock our Art Studios with canvases & paint so individuals can creatively express themselves with Therapeutic Art.

\$200

Fund a scholarship for a child to make friends & memories at Noble Summer Day Camps.
