OUR PRESENTER

NIKOL PRIETO | OUTREACH & EDUCATION LEAD

serves as the front door of the Assistive Technology Department for the INDATA Project at Easterseals Crossroads. Her goal is to help others harness assistive technology solutions to remedy everyday struggles. Services are provided through the INDATA (Indiana Assistive Technology Act) Project, a federally funded statewide assistive technology program. Services include Information & Referral, Device Demonstration, Device Loan, Equipment Reutilization, Recycled Computer Program & Alternative Financing Program. Nikol is passionate about understanding consumers' needs & educating them about resources & services that will enable them to make well-informed decisions & improve their lives. She holds a bachelor's degree in Psychology with a minor in Social Work.
