IMPACT A LIFE BY Supporting Our Services

Because the government reimbursement we receive for our services does not fully cover the costs of providing them, we welcome the generous support of those who want to impact lives with an unrestricted donation that can help us in areas like those below.

☐ FUND A JOB IN THE COMMUNITY | \$5,860/job

Help cover the cost of our Community Employment services for 90 days so our Employment Consultants can help an adult with disabilities land the right job, acquire the specific skills of that position and gain the confidence needed to continue being successful in that position.

☐ FUND EARLY INTERVENTION THERAPIES | \$2,850/6 mo.

Early intervention therapies are critical for babies with developmental delays. Through your support, our therapists can provide in-home therapy twice a week for 6 months as well as educate the parents on how they can help their baby develop between therapy sessions.

☐ FUND COMMUNITY EXPLORATION | \$950/month

We all have the right to fully participate in our community, and through Community Exploration, our staff can provide one-on-one support so an individual has the opportunity to explore their interests, volunteer, go shopping—whatever helps them live the fullest life possible!

☐ FUND OUR SUMMER DAY CAMPS | \$225/week

Kids of all abilities make friends and a lifetime of memories at our Summer Day Camps. From our Do-It-All Day Camp to Music & Dance Camp, the fun never ends. Your support can help a child attend a week of camp if their family is not able to afford it.

☐ IN-KIND DONATIONS | Priceless!

Tickets to sporting events & concerts, art canvases & acrylic paint, handyman & landscaping services, gift cards to stores & restaurants: the list is endless & donations are always appreciated.

IMPACT OUR MISSION BY Getting Involved

There are many ways to impact the lives of the people we serve that do not involve writing a check. A few of them are listed below, but let us know if you have some other ideas. We are always open to suggestions.

☐ HIRE AN INDIVIDUAL AT YOUR COMPANY

Many companies that hire people through Noble call it one of their best business decisions. You get a skilled & dedicated employee, your new employee becomes more independent as they take steps on their career path, and our community workforce becomes stronger. It's a win-win-win.

☐ VOLUNTEER YOUR TIME

Whether you volunteer as a company, group or individual, we always appreciate the time and talent of our volunteers. From assisting in our Adult Day Services to weeding our gardens to serving a shift at one of our fundraising events, we can always use your help.

☐ JOIN THE NOBLE AUXILIARY OR AN EVENT COMMITTEE

We are always looking for new members who want to make a more sustained commitment to sharing their time and talent with us. Please let us know if you are interested so we can provide you with information specific to each opportunity.

Founded in 1953, Noble touches the lives of 4,400+ children and adults with disabilities like Down syndrome & autism each year.
