## Evening in the Garden Breaks Records

We're still swooning over the 30th annual **Noble Evening in the Garden!** The laughter, the food, the conversations, the generosity and the way our community rallied together. It made this our best fundraising event yet, **raising a record \$175,000+** in support of Noble!

Check out [this video](#) to see some of the fun, thanks to Walker Photography!

A huge thanks also goes to our many sponsors, including Title Sponsors Big Red Liquors and Tito's Handmade Vodka, Presenting Sponsor The National Bank of Indianapolis, and other top sponsors like Barnes & Thornburg, JD Finish Line Foundation, American Surety Company, Corteva, Garmong, Gregory & Appel, K&W Equipment Co., Koola Logistics, Occam, Penrod Society, Sertoma Club of Broad Ripple and SYM Financial Advisors.

Of course, we must thank our wonderful hosts, the **Noble Auxiliary**. Each year, this group of volunteers raises funds and awareness for Noble. In the 30 years that they have held and grown this event, they've raised approximately \$4 million in support of our services.

Our appreciation also goes to our many other sponsors and donors, our volunteers and the nearly 1,200 attendees at this year's event. Thank you all for showing up in such a powerful way!

## Congratulations on 15 Years, Chris!

Since he was a student at Pike High School, **Chris** has held down a job. It's been part of his drive to achieve greater independence.

However, he's come a long way since his days at Boston Market. Recently, his

colleagues at the YMCA were celebrating 15 years worth of those days with him.

Chris' career with the Y spans locations and the COVID years, but he's now enjoying his position at the Hendricks County location, where his responsibilities include folding towels and tidying the locker rooms.

He also enjoys living more independently through our **Community Living** service and has learned to take the Hendricks County Link public bus back and forth to work.
