Ensuring People with Disabilities Dream It. Live It.

At Noble, we help the people we serve to **DREAM IT. LIVE IT.** through quality services & supports. However, government funding covers only 73% of those services, so we stretch the impact of every dollar through donations, grants & events. Corporate sponsorships & other funds raised by events like **EVENING IN THE GARDEN** fill the gap by providing unrestricted operating support. To help donors envision the impact of their support, we offer these examples of our mission in action:

\$5000

Assist an adult with disabilities in developing new skills & landing their dream job.

\$2500

Provide early intervention therapies for a baby in their home twice a week for 3 months.

\$1500

Provide our Music & Rec Therapists with instruments, exercise mats, stretch bands & exercise balls.

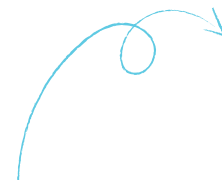

\$500

Stock our Art Studios with canvases & paint so individuals can express themselves through art.

\$250

Fund a scholarship for a child to make friends & memories at Noble Summer Day Camps.
